

IMPORTANT NEWS

Pretoria, 5 January 2009

Dear valued partner,

We are pleased to inform you a change of our company activities as per January 2009.

- ✓ The entity BRISAN TURBO (pty) has been moved from Grundfos South Africa towards the **DWT Group as part of the Grundfos Holding A/S.**
- ✓ With the move within the group the name Brisan Turbo Pty has changed into **DWT Pumps Motors Electronics Pty.**
- ✓ DWT Pumps Motors Electronics Pty represents for Africa the manufacturing brands **DAB, Leader, Tesla, Brisan Turbo, Alma pumps and WaCS.**
- ✓ Beside the local planned expansion of production and assembly in 2009, DWT has already **stock of products and spare parts of various ranges and DWT brands.**
- ✓ As our valued partner we look forward to continue our businesses relationship and grow our activities for a long term partnership. The change and expansion of the activities is to serve our customers even better with a full range of **Pumps, Motors and Electronics.**

We trust that you will be as positive as we are, about the potential benefits this new set-up will create for both of our organisations.

Best regards,
Grundfos
